# YOUNG ADULT MINISTRY

This is a space for those in their 18-30s looking to build meaningful connections, deepen their faith, and grow together in community. Whether you're navigating college life, starting a career, or figuring out the next steps, we're here to support each other through it all.

We believe that faith is a journey, and we want to walk alongside you as we explore what it means to live out our purpose, support one another, and build a community that truly reflects God's love. Together, we'll engage in discussions that challenge and inspire, participate in activities that foster authentic relationships, and grow in our faith as we navigate this exciting season of life.

If you're ready to connect, grow, and serve—you're in the right place. Welcome to the community!

*"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you a hope and a future."*

*Jeremiah 29:11*
